## Big Cats of All Kinds Scavenger Hunt at the Smithsonian National Zoo

As you sing and play along with Pinky, Nicky, and friends at the National Zoo, be on the lookout for these four exciting and unexpected moments with our curious cats!

(Scientists call this observation)

- Did you see Cheese run across a tree branch?
- Did you watch Ollie show off his tail?
- Did you recognize Nikita playing with Daniel Tiger's very own trolley?
- Did you hear cheetahs purring AND chirping?

**Great job, scientists! What e/se did you observe?**
