Digital Portfolio

- Linked across all of NHSA
- Available digitally
- Available for download and print
- Easy upload process
 - State Sites
 - Social Media!

The screenshot displays the NHSA Digital Portfolio website. At the top, the NHSA logo (N, H, S, A) is on the left, and navigation links for 'Whole Child, Whole Family', 'Advocacy', 'Success Stories', 'Professional Development', and 'Resource Library' are on the right. A search icon is also present. Below the header, the main content area features a blue icon of a laptop with a person silhouette, the title 'NHSA Digital Portfolio', and the tagline 'Supporting the professionalism for which Head Start is known.' Two blue buttons, 'View Directory' and 'Sign In', are positioned to the right. The main text describes the portfolio as a personalized digital space for professionals to store their accomplishments and mentions that programs can use the resource to verify skills and requirements. A footer navigation bar includes links for 'Educators', 'Parents', 'Alumni', 'Conferences', 'Events', 'Join NHSA', 'Contact Congress', and 'Donate'.
