

Pathway to Purpose

CDA to BA Program Designed With High School Students in Mind!

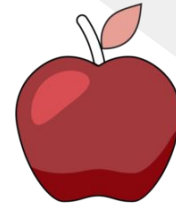

The Academy at NHSA

CDA Pathway

The Academy at NHSA's CDA Curriculum is aligned with these requirements.

How is The Academy's CDA Program Unique?

- **Approved by The Council[©]**
- **Self-Paced with rigorous checks for understanding**
- **Aligned with the required portfolio**
- **Addresses DEI more deeply by including Head Start programming and serving children living in poverty**
- **Support, if needed, with classroom placement with your local Early/Head Start**
- **Digital Certificate delivered to students upon completion of the coursework to verify coursework**
- **Extremely affordable - NHSA is a non-profit that aims to promote the development of the ECE workforce - NOT a curriculum development company**

Beyond the CDA....

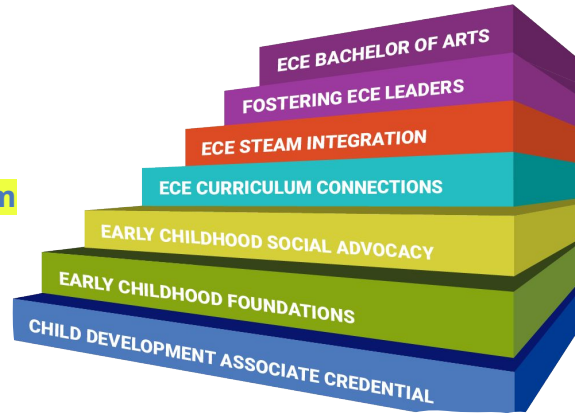

9 Credit Hours Earned Toward a
BA in ECE with a Head Start Focus

*ECE 201 The Growing Child: Zero to 8

*ECE 210 Child, Family, School, & Comm

*HED 220 Health, Nutrition, & Safety
